Junior Full Stack Developer

San José, Costa Rica · [linkedin.com/in/francisco-ortiz-ortiz](https://www.linkedin.com/in/francisco-ortiz-ortiz) · +506 6469 - 4072 · franxiscortiz@gmail.com

Motivated Junior Full Stack Developer with solid object-oriented programming skills, strong analytical and problem-solving abilities, and excellent communication skills. Eager to expand my expertise in software development and technology.

PROFESSIONAL EXPERIENCE

Software Developer Intern

Guanacaste, Costa Rica.

Acib – Funin

Feb 2023 – Jun 2024.

- Designed and developed an administrative system for the Human Resources department, utilizing modern technologies such as ReactJS, NodeJS with Express, and MySQL databases.
- Implemented a RESTful API with Node.js and Express.js to facilitate efficient and secure data exchange between the frontend and backend.
- Optimized internal processes of the Human Resources department, reducing response times and improving data management accuracy.
- Worked effectively in a multidisciplinary team, collaborating with other developers to ensure the quality of the final product.
- Incorporated end-user feedback and made continuous adjustments to ensure the system met the specific needs of the department.
